How does CAS 868844-74-0 SNAP 8 Acetyl Octapeptide 3 Skin Benefits In Skin Care work?

Peptides often find it difficult to get to where they need to be; they are large and dislike being around oil so they struggle to fit through the small, oil-based gaps between skin cells. Our professionally formulated peptide blend contains an innovative delivery system that ensures that all our peptides can dive deep into the lower layers of the skin for optimal effect.

How to use CAS 868844-74-0 SNAP 8 Acetyl Octapeptide 3 Skin Benefits In Skin Care?

After cleansing in the morning and evening, massage Liquid Peptides across the face, neck, and décolletage. Leave to absorb before applying moisturizer.
